

Missouri Teach Ag FFA Fall Public Speaking Contest

Sponsored by: Missouri Vocational Agriculture Teachers' Association,
Missouri FFA Leadership Fund
and the National Teach Ag Sponsors:
CHS and CHS Foundation, Corteva Agriscience, Growth Energy, and BASF.

Objective: To promote Ag Education, encourage students to consider a career in Ag Ed, recruit potential teachers, and emphasize the importance of agricultural educators.

2020 Contest Guidelines:

- 1. Topic: Ag Education in a Diverse World.** This shall be the title of the speech. Any other title will be considered off topic and will incur a point deduction.
- 2. Rules:** All speeches must fall within the guidelines for the Missouri FFA Advanced Public Speaking LDE, including time (6-8 minutes), questions (5 minutes), format, bibliography, etc. Each contestant's manuscript will be the result of his/her own efforts and speeches must sufficiently address the topic. Please refer to the most recent Missouri FFA CDE bulletin for speech guidelines, scoring breakdown, and scorecard. This contest is open to any FFA member in grades 9-12. Official dress is required.
- 3. Competition:** Contests will be held first at the area, then district level at the same time and place as the other fall public speaking contests. Area guidelines will dictate how many advance from the area to the district level. The 1st place winner at each of the 6 district levels will advance to the state contest. The state finals will tentatively be held at Margaritaville (Tan-Tar-A) during the Missouri Farm Bureau Convention, time and room to be announced.
- 4. Sources:** Students must have at least 3 different sources included in their bibliography. One of those sources must be a personal (by phone or email) interview with a current or retired FFA Advisor other than their own. For the 6 state finalists, this personal interview will be verified by an emailed statement from the advisor interviewed. Other source suggestions: www.moteachag.org and www.naae.org/teachag
- 5. Awards:** Plaques will be awarded to each of the state finalists, with cash awards of:
 - 1st place- \$200
 - 2nd place-\$150
 - 3rd place- \$100
 - \$50 each to the other 3 competitors

Good luck! For more information, please contact Pam Rowland, Missouri Teach Ag Coordinator, at pprowland@windstream.net.
